

Yes You Can Imagine It

What you need to know

- The 1 day bootcamp will be lead by Roisin McDermott, Business Mentor and Facilitator, who has been working with enterprise support and start up business for almost 30 years.
- Each bootcamp will be co-facilitated by another experienced Business Start up Trainer who will bring local expert knowledge, along with their own unique ideas and specialist skills.
- Each event will consist of the same content, with speakers and information adapted for the relevance of each location
- Please note that you can only attend one event. You are required to complete a short application form, so that we can ensure you are at the right stage to benefit from this bootcamp.

Yes You Can Imagine It

What you need to know

- You are asked to select your preferred date/location. It would be ideal to select a second preferred option if this is viable for you.
- We will email you to confirm that you have been allocated a place on the programme.
- You must attend the whole day and cannot attend part of the day. While events are free to attend, Women in Business have venue, catering and staff costs to cover, and it is essential that anyone who takes a place is committed to attend.
- If you need to withdraw your place, we ask that you do so 14 days in advance, to allow us to allocate the place to someone else.
