

## Grow IT All-Island | Application Guidance Notes

The project is being delivered with support from [InterTradeIreland's Synergy initiative](#). Synergy is a cross-border cluster initiative set up by InterTradeIreland, the cross-border trade and business development body.

- Applications will be scored so please ensure that you give full answers and assume that we do not know you or your business.
- Women in Business and Network Ireland reserve the right to allocate places before the closing date if the applicant is suited to the programme.
- As part of the application process, you may be asked to have a 121 meeting with the Programme Manager to understand your business and to ensure that the programme is the right fit.
- If you are successful in securing a place on the programme, you will also be required to have an online meeting with the Programme Manager/Coordinator to carry out a baseline needs assessment.
- The programme requires 8 full days commitment, along with additional online mastermind and 121 sessions. We understand that sometimes you cannot attend due to illness or unforeseen personal or work events, but we expect a commitment to all dates at the outset.
- **Applications must be submitted by 12 noon on Friday 3<sup>rd</sup> November 2023.**
